The  
*Oud & Oriental*  
Fragrance Collection  
2013

Welcome to our latest capsule collection for **EDT & Toiletries**. Inspired by the Middle East and the Orient, we take you on a voyage boasting rich exotic scents filled with tales of mystery...

## *Trend Spotting...*

Our **Oud & Oriental Collection** gives you a snapshot view of this trend, looking at recent fashion campaigns, new product launches, key ingredients, and colour trend forecasts that are influencing fragrance.

**We also introduce our collection of bespoke fragrances to inspire your product development...**
